

NEWS ALERT

January 29th.2008.

Cortec Corporation is pleased to announce implementation of stock program for our European and Asian distributors. Our best selling standard sizes are now available in metric, stacked on EU pallets and will be shipped within 24 hours from receiving your order from EcoCortec, Beli Manastir. This is our commitment to you in order to help you increase your trading margins.

We are using this opportunity to inform you that European Sales Meeting is scheduled for 10th and 11th of October 2008, in Beli Manastir, Croatia. Detailed program of exciting new sessions and fun events will be sent to you in the near future.
